

JOIN OUR TEAM INTERNSHIP / CO-OP

Our programs will prepare you for leadership positions both on and off the jobsite, exposing you to and hands-on experience in preconstruction and field management. We carefully match you with positions related to your academic and career goals, aligning you with a path after graduation. Our interns work on jobsites or in the office helping with pursuits in preconstruction.

Responsibilities

Students will learn about multiple career paths in our company and will be trained to become full-time project managers after college graduation. A few examples of the duties and responsibilities include, but are not limited to:

- **Assisting project manager or field supervision staff with project coordination**
- **Writing RFIs, submittals, and assisting in change orders**
- **Soliciting bidders and coordinating subcontractor activity**
- **Scheduling of various contracts and materials**
- **Document control**
- **Safety management**
- **Quantity take-offs**
- **Participation in team meetings**

Qualifications

- **A bachelor's degree is preferred**
